Deliberative

Hi John,

Attached is a draft of the R4 FL FRN that announces EPA's decision on FL. I reviewed this yesterday and it is ready for your review – I suggest just looking at the clean version. As Tom mentions below, they would like any comments by noon tomorrow so it can then be shared with leadership.

Please let us know if you have any questions. Janita and I were texting earlier about FL documents and I clarified that R4 would be managing this one so we wouldn't have to worry about transmitting it to OP, etc.

Thanks!

Thank you very much for your quick responses. Attached are marked-up and clean versions of the current version of the draft FRN that address the comments received and an additional suggested edit from Simma and Matt regarding the effective date of the PA, pending further discussion with leadership. Unless you have further questions/comments please forward it to the next level of management (i.e., J. Goodin/S. Neugeboren/A. Simons/R. Kelley/H. Barnett) for their review, and I recommend that you request their feedback by noon tomorrow, Wednesday, Dec 9. Tom

Good afternoon Jeaneanne, Leif, Mindy, Carrie, Mike, and Mark,

Please see the attached draft R4 Federal Register Notice (FRN) which we hope to route to senior leadership for their review by Wednesday, Dec 9, with the goal of sharing it with the Office of Policy by Friday, Dec 11, for their pre-signature review. The draft R4 FRN is 4 pages, announces the Region's final decision on Florida's request for assumption, and would be followed by a separate Federal Register Notice to be issued by HQ regarding the rule change to 40 CFR 233 regarding this action.

In order to stay on schedule, I request that you provide your comments on the attachment by tomorrow (Tuesday), Dec 8.

Thanks very much.

Tom
